General Description: Multi Task Cloths for light-to-medium duty tasks, wiping up grime, oil and grease, having the right wipe on hand is crucial to your operation. The WypAll® 2in1 Midi Roll cleaning system offers both centrefeed or flat sheet side-feed dispensing options for a ready to use experience. The hydroentangling process bonds cellulose fibres into webs for faster absorption and greater tear resistance. Perfect for use as industrial wipers, these lightweight durable cloths are ideal for removing light oil, soaking up food prep spills, adhesives and debris and equally suitable for cleaning glass and gloss surfaces. Blue cleaning cloths are also designed to be easily detectable in contamination critical environment.
