Ocean Spray	V-SOLID OCEAN	5060060070738	5060060070783	

Product Description:	Vectair V-Air® SOLID is a multi-phasing, passive and solid fragrance cartridge that delivers consistent fragrance intensity, through timed release waves of different, powerful and effective fragrances, targeting fragrance fatigue in a revolutionary way, all from a single passive deodorizer. The cartridge comprises of a large moulded ceramic block, impregnated with a powerful and effective fragrance, complete with an integrated fragrance core and a malodour counteractant.				
Features and Benefits:	 VOC exempt & free from harmful propellants* Passive refill - no batteries required. Sub-micron technology (particles size typically below 1 micron). Multi-phasing (ceramic capsule and fragrance core combine and diffuse powerful complementary key fragrance notes). Just three parts - technology made simple. No liquids, No leakage Recyclable clip Consistent powerful fragrance delivery. Universal fit - designed to fit into most similar existing passive dispensers.

^{*} VOC regulations in the US and Canada only. The products are air fresheners and contain nothing defined as a VOC that is not a fragrance component and therefore the general exemption for air fresheners of 94510.F applies. Section 94510.F applies to the product from the US federal "Consumer Products Regulation". The formulations are "pure fragrance" or "fragrance-only".

There are currently no restrictions or regulation on VOC content in air fresheners in Europe.

Notes: This Product Specification Sheet is true to the best of Vectair Systems knowledge at the time of publishing and we reserve the right to make changes without notification.
