NOURISHING HAND CREAM

SENI CARE

I. PRODUCT DESCRIPTION

NOURISHING HAND CREAM. For everyday care for dry and delicate hands skin – recommended especially for those, who frequently wash their hands or have regular contact with detergents. Due to richness of moisturising and oiling components the cream restores natural skin balance. Enriched with effectively softening, smoothing and firming urea. Creates a silky protective film on the skin.

II. APPLICATION

Rub into washed and dried hands.
