TECHNICAL DATA SHEET

PANTYLINERS

BELLA PANTY SOFT
BELLA PANTY SOFT DEO FRESH
BELLA PANTY SOFT COMFORT

I. DESCRIPTION

Pantyliners Bella Panty Soft, Soft deo fresh and Soft comfort are made of fluff pulp formed into absorption core. The upper layer is liquid permeable hydrophilic nonwoven. Bottom, liquid impermeable layer is vapor - permeable film. The whole pantyliner is glued by construction hot-melt adhesive. On the outer side of film is applied positioning adhesive protected by release paper. On the product is applied decorative embossing and outer seal. Panty Soft deo fresh product is with fragrance. Panty Soft comfort is attached to the pouch film, that is folded and sealed.
