## Produits de kiosque et de magasin

22/23

Liebe Kundinnen,  
Liebe Kunden

Es freut mich und das ganze WEBSTAR-Team, Ihnen den diesjährigen Sortimentskatalog zu präsentieren. Dies vor allem auch, weil wir Ihnen wiederum viele spannende Neuheiten und neue trendige Artikel vorstellen können.

Unser Einkaufsteam ist sehr nahe am Markt und evaluiert laufend neue Artikel, welche das Sortiment ergänzen oder nicht mehr aktuelle Artikel ablösen können. Unsere Mitarbeitenden legen dabei auch ein besonderes Augenmerk auf verlässliche Lieferantenpartner sowie auf zuverlässige Beschaffungswege. Diese beiden Aspekte haben während der vergangenen beiden schwierigen Corona-Jahre weiter an Bedeutung gewonnen. Wir sind um Alternativen froh, da die Planung der Beschaffung komplexer geworden ist und uns in einigen Fällen auch keine verbindlichen Liefertermine mehr bestätigt werden. Zusätzlich werden wir oftmals mit Preiserhöhungen konfrontiert, welche aufgrund der gestiegenen Rohstoff- und Transportkosten begründet und auch nachvollziehbar sind.

Gerade in solchen Zeiten dieser zusätzlichen Herausforderungen, können wir als Grosshändler eine Brücke zwischen den Produzenten und Ihnen als Detailhändler bauen. Dank unseren Lagerbeständen gelingt es uns, kurzfristige Lieferengpässe der Produzenten zu glätten und eine gute Verfügbarkeit der Artikel sicherzustellen. Es ist jederzeit unser Ziel, Sie mit unserem Lieferservice lückenlos zu beliefern und somit Out of Stock-Situationen zu vermeiden. Wir bitten Sie um Verständnis, falls es für einzelne Artikel trotzdem einmal zu einem Lieferunterbruch kommen sollte.

Ich danke Ihnen für die gute Zusammenarbeit. Wir unterstützen Sie mit unserer Beratung gerne, um Ihr lückenloses Sortiment zu gestalten!

Beste Grüsse

Tobias Weber

Chères clientes,  
chers clients,

J'ai le plaisir, aux côtés de l'équipe WEBSTAR, de vous présenter notre catalogue de cette année. Une fois de plus, il recèle une multitude de très belles nouveautés et de nouveaux articles tendance.

Notre équipe des achats prend en permanence le pouls du marché et évalue sans relâche les nouveaux produits complétant notre gamme ou qui pourraient remplacer les références dépassées. Nos collaborateurs s'attachent également à travailler avec des fournisseurs de confiance et à maintenir la solidité des chaînes d'approvisionnement. Ces deux difficiles années de pandémie n'ont fait qu'accroître l'importance de ces deux aspects. Nous sommes toujours heureux de trouver des alternatives, puisque la planification des approvisionnements a gagné en complexité et que les dates de livraisons ne nous sont plus forcément confirmées. De plus, nous faisons régulièrement face à des hausses des prix compréhensibles et dues à l'augmentation du prix des matières premières et des frais de transport.

En ces temps marqués par de nouveaux défis, nous pouvons, en tant que grossiste, faire le lien entre les producteurs et vous, les détaillants. Grâce à nos stocks, nous compensons les pénuries passagères des producteurs et assurons une bonne disponibilité des articles. Notre objectif: pouvoir vous livrer à tout moment et éviter les ruptures de stock. Nous vous remercions de votre compréhension pour tout article dont la livraison serait perturbée.

Je vous remercie de l'excellente collaboration. Nous nous ferons un plaisir de vous conseiller dans l'élaboration d'une gamme toujours complète.

Avec mes meilleures salutations

Care clienti,  
cari clienti,

mi fa molto piacere presentarvi, insieme a tutto il team WEBSTAR, il catalogo dell'assortimento di quest'anno, ancora una volta ricco di novità interessanti e nuovi articoli di tendenza.

Il nostro team acquisti è molto vicino al mercato e prende continuamente in esame nuovi articoli che vadano a integrare l'assortimento o a sostituire quelli non più al passo con i tempi, ponendo in particolare l'accento sui partner fornitori affidabili e canali d'approvvigionamento sicuri. Negli ultimi due difficili anni caratterizzati dalla pandemia del coronavirus, questi due aspetti sono diventati ancora più importanti. Siamo ben contenti di trovare alternative, visto che pianificare gli acquisti è diventato più complicato e in alcuni casi, non vengono più confermati termini di consegna vincolati. Ci troviamo inoltre a doverci confrontare spesso con aumenti di prezzo che alla luce dell'aumento dei costi delle materie prime e dei trasporti, sono giustificati e anche comprensibili.

Proprio in tempi come questi, caratterizzati da sfide aggiuntive, noi grossisti possiamo costruire un ponte tra i produttori e voi rivenditori al dettaglio. Grazie alle nostre scorte siamo pronti in grado di improvvisare difficoltà di fornitura dei produttori, assicurando una buona disponibilità degli articoli. Il nostro obiettivo rimane garantire un servizio di consegna che permetta di fornire merci senza soluzione di continuità, evitando situazioni out of stock. Confidiamo nella vostra comprensione, nel caso in cui per singoli articoli dovessero verificarsi interruzioni nelle forniture.

Vi ringrazio per l'ottima collaborazione. Sarà un piacere fornirvi la nostra consulenza, in modo che possiate allestire un assortimento completo!

Cordiali saluti

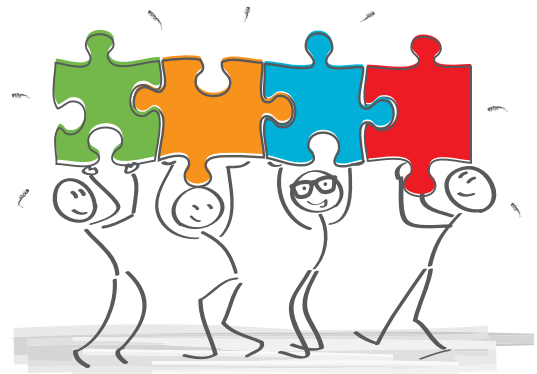

Tobias Weber
